

Appendix F: Relational database software

The following Relational Database Management System (RDBMS) releases are used for Meridian IVR Release 2.0/I.

Note: All four database options can be installed in a single Meridian IVR system.

Table F-1
RDBMS interface modules

RDBMS	Supported Release
Informix	5.0 (or newer)
Oracle	7.0 (or newer) or 7.1 (or newer)
Ingres	6.4 (or newer)
Sybase	10.0 (or newer)
